

# Real Estate Networking

*If you are working in this industry or one that serves Real Estate, this group is for you!*

**Thursday, May 25, 2010 at 8:00pm  
(Following evening services at 7:30pm)**

As we all know it's been tough for us! However, the best way to help yourself is to help others. Simply put, the philosophy of this group will be to get together, listen to guest speakers, offer suggestions, share leads and introductions amongst members of the Schul. Many of us attend industry functions but why not start with the people that we know. Why Overlook The Obvious?

**This meeting is our second meeting and we are off to a great start.  
Help us make this a success for all!**

**Who should attend:** Anybody who works in the real estate industry or related service fields and wants to benefit from working with the Schul's members.

We gain strength from the support and knowledge of our neighbors, friends and congregants.

**This program is free of charge.**

The WJC Brotherhood has established the WJC Networking Group to promote networking, share ideas, circulate leads, provide encouragement and support.
