

WJC College Outreach 2014-2015

Help us stay in touch with your college aged child by registering for College Outreach. We will send care packages throughout the year, with fun goodies to help them celebrate the holidays, along with letters from the Clergy.

Please fill out the form below (even if you have participated in years past) to help WJC stay in touch with your college aged child. Please return the form to Rabbi Loren Monosov. Voluntary donations of \$36 are gladly accepted to help offset the cost of the program.

Please print clearly!
