RELIGIOUS SCHOOL

Dear Parents,

We are thrilled to announce the opening of registration for the 2020-2021 school year. We are committed to a well-rounded and developmentally appropriate education for all of your children. We are committed to preparing every child for success in kindergarten while valuing these precious early childhood years. The members of our faculty are life-long learners and are constantly engaged in meaningful professional development.

Our magnificent, spacious facility allows us many opportunities to expand and enrich children's learning. All of the spaces in our school: the gym, the outdoor play areas, the library, the activity center, and the chapel are fully utilized and offer children a range of learning environments. Parents are always welcome to participate in all of the excitement at our Early Childhood Center. Building relationships with students and parents is at the heart of the WJC Early Childhood Program.

In addition to our regular school day, we offer a variety of extended day options. Please see the Extended Day Program Guide enclosed in this packet for a detailed description of all our offerings.

Please review and return the enclosed materials quickly so that we can begin to plan accordingly for September, 2020. If you have any questions or concerns, please do not hesitate to call me and set up a time to come in and meet.

The application and the tuition schedule outline the choices of programs available. Please note how many days a week you wish your child to come to school, and how many extended days (for 3s & 4s) you wish to include.

Completed applications will be processed as they are received. We will continue to accept applications subject to availability. Class size is limited so we do ask that you send in the **non-refundable deposit of \$500**, and the completed application as soon as possible. **In addition, the payment plan form and post-dated checks must be submitted with the application.**

Be sure to look for the Early Bird flyer enclosed for a special discount on tuition. Note: Fully completed application MUST be submitted by end of school day on Friday, January 31st. Any applications submitted after 12:30PM on Friday, January 31st will be subject to 2020/2021 tuition. Due to the nature of this special tuition pricing, no exceptions can be made.

If you wish to come in for a tour of our school and an information session, please call 914-698-2767 to schedule an appointment.

Sincerely,

Ann Pardes

Early Childhood Director
