## COVID SAFE

Our Early Childhood camp provides a warm, nurturing and child-centered environment in which children can make friends, be active in the fresh air and enjoy the summer under the supervision of caring adults. All adults are required to wear a mask at camp.

Our program is designed specifically for youngsters ages 2-4 years old. If your child will be two by December 31, this is an ideal environment for them. We also have a Little Ones and Friends group for 1-2 year olds with a Parent or Caregiver. Children attending camp do not have to be toilet trained. Children are required to wear a mask at camp.

Our groups are small so that we can provide appropriate attention to each child. Our professional, mature adult staff are selected for their educational background, early childhood training, teaching experience and for their sensitivity to the individual needs of the young child. Our summer staff also teaches in the Early Childhood program at WJC during the school year.

Your child will participate in a variety of activities including arts & crafts, nature, music, science, cooking, water play, story time and table games. All activities reflect and incorporate our weekly themes. Our flexible program allows you to pick and choose your 2-8 weeks of summer camp.

Our facility includes:

- Two beautiful outdoor playgrounds
- Classrooms designed for early childhood programs
- Developmentally appropriate materials
- Activity centers
- Gymnasium
- Carpeted indoor climbing activity area
- Library

To schedule a virtual tour please call our Early Childhood Center at 914-698-2767.
