Keshet strives to offer fair pricing and therefore does not budget for contingencies resulting from weather or security issues. Itineraries may be altered as a result of these factors. Also, the prices listed reflect rates quoted by hotels and vendors as of April 2025. In the event of devaluation of the US dollar exchange rates, hotels and other vendors may add surcharges; Keshet reserves the right to pass such increases on to trip participants.

Trip Insurance

Keshet strongly urges you to purchase trip cancellation/interruption insurance and supplemental medical coverage (which covers pre-existing conditions). Please note that we cannot accept responsibility for any losses or expenses which you or any member of your party may incur as a result of failure to secure adequate insurance coverage. We recommend the "Cancel For Any Reason" (CFAR) policies which offer the broadest coverage, including partial coverage for trip interruption, cancellation or withdrawal on your part due to pandemic and security related reasons. Please be aware that most CFAR insurance policies require purchase within 10 days of your date of first payment for the trip and that CFAR policies are not always available. We can recommend the services of Agent Representative Mark Reineke who can help you find the best available insurance option to meet your needs. Let him know that you are with a Keshet group.
